It's quite frightening.

What would you do if you were in his place?

Of course I wouldn't run it. Others are going to get hurt or they might die.

Oh, I know! I wouldn't ask worry about it. Bluntly, were I'd be lucky for the rest of my life.

Ah, well. You'll be in power my species. What happens to Ehrenia?

Ah, well. You'll be in power my species. What happens to Ehrenia?

She was burned her precious start.

Ah, well. You'll be in power my species. What happens to Ehrenia?

She wasn't injured.

Who would've thought an explosion like that would happen?

I have to?

Absolutely!

Hahaha!

Are you worrying all this alone?

Yes, of course!

Please continue.

Mister.

Oh, Rowe! Why are you here?

How's your leg?

They said that it might get better if I rest... It is still painful though.

My years were already on last shape, but it's even worse now

Oh, right! What happened to Christine? She was headed you.

The wood pierced your leg.

Ouch

Ah, well. You'll be in power my species. What happens to Ehrenia?

She wasn't injured.

I was thinking...

Can I help you at your shop?

Oh, yes.

I'd appreciate that very much, but why the sudden change of heart?

Even and my son left for the capital baby so I need some help around here.

Oh.

Gosh. Ah.

It's my fault.

Because I hope that this guy's leg is...

There even was a heart wrenching apology?

Ah, huh? Yes.

Good, good. There shouldn't be any problem, then.

Three fired.

The boy's life slowly began to change.

He took off his cumbersome robe which he wore to hid his damaged arm.

And slowly, little by little, he became more comfortable with other people,

Just as he used to be.

Hey, Flower.

What were you doing here? What about your work?

Be at least for short trip.

Do you have a spell?

Yeah. Witchcraft, probably.

Actually!
